LOUIS

Some superstars get cagey about revealing what they're really thinking—but not Louis! He lays it all on the line and spills everything . . . from his most embarrassing moment ever to his feelings about his sweet GF.

17: How have you changed since becoming famous?

LOUIS TOMLINSON: When I first met the guys on *The X Factor*, I was quite intimidated and quite shy. I'm actually really outgoing, but it took me awhile to come out of my shell.

17: What's the most embarrassing thing that has happened to you since One Direction hit it big?

LT: One time Harry and I were skiing together when a girl and a guy came up with a camera. We assumed they

were going to ask us for a photo, so we stood there with our arms around each other, posing. They said, "No, we want you to take a photo of us!" It was embarrassing!

17: It's so cool that Harry introduced you to your girlfriend, Eleanor. What made you fall for her?

LT: Aside from the fact that she's *hot*, she had everything that I was looking for. She's funny, loud, and confident.

17: Do you ever wish you were single so you could go out and meet loads of girls with the other guys?

LT: I'm not the type of guy who enjoys being single. I'm happier with the way things are with Eleanor. I told her I loved her after five months. I didn't just wake up one day and *think* I was in love—I *knew* it in my heart.

... have **Harry** or **Niall** date one of your sisters?

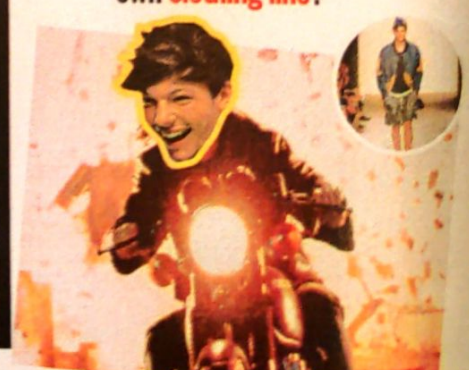

... star in a **movie** or have your own **clothing line**?

✓ "BIG TIME RUSH — DEFINITELY!"

✓ "NIALL!"

✓ "STAR IN A MOVIE — I'D LOVE TO BE IN AN ACTION FILM!"
